

FORDELER

- Flat trykfallsutvikling
- Robust metallramme
- Tilpassbare størrelser
- Optimaliserte driftskostnader (LCC)
- Laveste initielle trykfall for maksimal energibesparelse

|                       |                                                                             |
